Sunday, June 25, 2017- Farewell

7:00	<i>As A Crow Flies, an interpretive bird hike</i>
8:30-9:30	Breakfast buffet and closing
11:00	Check out

*Free time can be taken anywhere your family would like. Some ideas include walking down to Grand Lake for kayaking, canoeing, shopping, mini-golf, paddle boats, and more. The RMNP Visitor Center has lots of options, including scats and pelts, and more.

Please remember to drink plenty of water to ward off altitude sickness, and use plenty of sunscreen in our high altitude.
